White Wine

DOMAINE *des* COMTES LAFON

Domaine des Comtes Lafon has the deepest and coldest cellars in Burgundy and they nurture some of the greatest dry white wines of Burgundy.

Dominique Lafon is the leading producer in Meursault, producing wines of astonishing depth and complexity, yet supremely balanced as well. When Lafon took over the domaine in 1983, most of his vineyards were leased out on a share-cropping basis. It was only towards the end of the 80s that he managed to reclaim all the vineyards and thus have full responsibility for them.

Nowadays the vineyards are run on a biodynamic basis with no use of herbicides or chemical sprays. All the wines are barrel-fermented, using new oak for the 1er Cru upwards. There is only one racking after the malolactic and the wines are bottled nearly two years after the vintage, one of the latest bottlings in Burgundy. This is the very pinnacle of White Burgundy with superlative fruit, power, complexity and total harmony being the wines' hallmarks.
